

ECSTASEA

20th October 2009

To whom it may concern

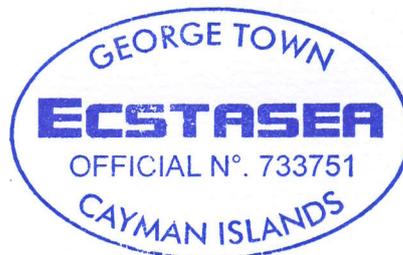

MY Ecstasea cruised the Maldives for two weeks during October 2009. Seal Superyachts acted as our agents for the entire cruise as well as during our transit to and from the Maldives.

We found Seal Superyachts to be an efficient and experienced company who can provide invaluable information and fantastic support whenever called upon.

Abdul Hannan was our main contact. We found that nothing was a problem to him and a quick phone call was all that was needed to organise a variety of difficult requests; going above and beyond what would normally be required of a yacht agent.

MY Ecstasea plans to return to the Maldives in the near future. We will have no hesitation in using Seal Superyachts again.
