

CORAL ISLAND

Berth # 12
International Yacht Club d'Antibes
06600 Antibes,
France

To Whom It May Concern,

4th June 2008

This is to certify that Mr. Alastair Maiden of Seal Superyachts Asia (Seychelles) represented M/Y Coral Island during her stay in Mahe, Seychelles from 7th March 2008 until 17th May 2008.

M/Y Coral Island is a privately owned and operated Lürssen built motor yacht, British Registered in Bermuda, official number 723026, gross tonnage 1379 tonnes and length overall 72.55m.

Mahe, Seychelles was to be the penultimate stop over of our 2007 – 2008 West bound circumnavigation and so preparation for our Mediterranean summer season was to be carried out there.

From the very onset of our time in Mahe, Alastair and his staff proved to be both extremely efficient and experienced in all dealings. From provisioning to travel, spares shipments to customs and immigration paper work, no task was deemed to large or small. I have absolutely no hesitation in recommending their services to any vessel intending to cruise the Seychelles.

I take this opportunity to congratulate and thank Alastair and his team for their wonderful service and look forward to seeing them again in the near future.

Yours faithfully,

Glen J Kessels
Master
M/Y Coral Island
