

ELANDESS

December 29th 2010

To whom it may concern,

This letter serves as reference for Mr Upali Gooneratne from Vin Ocean Shipping Ltd.

Elandess is a 60 metre privately owned British registered motoryacht of 1090Gt and during December 2010 we were cruising Sri Lanka with owners and guests.

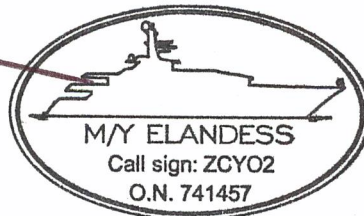

Mr Gooneratne was extremely helpful in assisting us long before our arrival in Sri Lanka, making sure that all went as smoothly as possible before arrival, however after and throughout our stay in Sri Lanka itself was where Upali really was invaluable in guiding us through the inexhaustible paperwork, visas, clearance and general officialdom.

In arranging and organizing everything for Elandess, from a very sick crewmember, to amongst many other things; supplies, transportation and foreign visas, Upali remained fully in control and with a cool head throughout.

I cannot recommend Upali enough as a true professional, one of the best and most hardworking agents I have had the pleasure of meeting and added to it all, a thoroughly good guy and someone who I would hope to call a friend after our first visit to Sri Lanka.

Sincerely,

Captain Chris May

M/Y Elandess
