To Whom It May Concern:

This is my 4th visit to Colombo over the past eleven years and the first time that I used Seal Superyachts-Asia as our agents for this stop over.

Upali Gooneratne, Sherrad Samath and the rest of the team at Seal were an absolute pleasure to deal with and made our entry into port hassle free.

Provisions and fuel were delivered on time with no unnecessary waiting around. All the team at Seal couldn't be more helpful in showing the crew around and supplying the boat with loads of tour brochures.

On my next stop over coming through I wouldn't hesitate in using Seal Superyachts-Asia again, and would recommend them to any yacht Captain who is passing through.

Best regards,

Stephen P Hinge.
